(Further details in relation to the FCA are set out in clause 26).

2. Commencement

This Client Trading Agreement supersedes any previous agreement between you and us and takes effect upon our notifying you that your application to become a client of Privalgo has been accepted or the day on which you execute your first Trade through us, whichever is the earlier.

3. This Client Trading Agreement

- 3.1 This Client Trading Agreement is a framework agreement which sets out the terms upon which you will trade with us. This Client Trading Agreement shall apply to all Trades executed by you through Privalgo.
- 3.2 In the event of any conflict between these Terms and Conditions and the Schedules to this Client Trading Agreement, these Terms and Conditions shall prevail.
- 3.3 This Client Trading Agreement and all Trades are subject to all Relevant Regulations. Accordingly: -
- (a) if there is any conflict between this Client Trading Agreement and any Relevant Regulations, the Relevant Regulations will prevail;
 - (b) nothing in this Client Trading Agreement shall exclude or restrict any obligation which we have to you under Relevant Regulations and we may take or omit to take any action we consider necessary to ensure we are compliant with any Relevant Regulations;
 - (c) all Relevant Regulations and whatever we do or do not do in order to comply with them will, to the extent that they affect this Client Trading Agreement or any Trade, be binding on you;
 - (d) any actions that we take or fail to take for the purpose of our compliance with any Relevant Regulations shall not render us or any of our directors, officers, employees, consultant or agents liable to you.
- 3.4 A copy of this Client Trading Agreement can be accessed through our website.

4. Our Relationship

- 4.1 Pursuant to this Client Trading Agreement, we agree to provide you with facilities to buy and sell currency and the ability to hedge your currency exposure, to enter into Forward Trades to pay for identifiable goods, services and/or direct investments (defined in the Relevant Regulations as "Commercial Purposes"), to carry out money remittance and to execute payment transactions (Services).
- 4.2 We deal on an execution-only basis and do not advise you on the merits of or make any recommendation in relation to any particular Trade. Each and every Trade is therefore entered into by you solely at your own

discretion and pursuant to your own judgment. Any discussion in relation to the terms, performance or characteristics of a potential Trade does not amount to advice on the general, commercial, legal or tax consequences or implications of such a Trade. You agree and confirm that although we may provide you with information in relation to the availability of financial products, structures or strategies, this does not amount to investment advice or a personal recommendation. Information is provided solely to enable you to make your own foreign exchange decisions.

- 4.3 You agree and accept that (i) foreign currency exchange rates are subject to fluctuations which are outside our control and (ii) past movements or trends in the movement of foreign currency exchange rates cannot be taken as an indicator of future movements in exchange rates.
- 4.4 If we provide you with third party information, market commentary or other information, this is incidental to your dealing relationship with us and we provide such information on a voluntary basis. Other than as we are required to by the Relevant Regulations, we give no representation, warranty or guarantee as to the accuracy or completeness of such information. We shall not be liable for any costs, claims, damages, liabilities, expenses or losses which you may suffer as a result of relying on any such information.

5. Instructions

- 5.1 Instructions in relation to any Trade may be given by you to Privalgo by email or other electronic means, orally (in person or by telephone, details of which are set out on the front sheet), by way of the Privalgo Platform or by such other means as we may agree from time to time. Instructions to Privalgo in relation to Payments shall only be given by way of the Privalgo Platform. If you give instructions by email or other electronic means, they shall not be deemed to have been accepted by us until we acknowledge receipt, and, for this purpose, an automatically generated email shall not constitute acknowledgement of receipt. For the avoidance of doubt, Instructions may not be given by fax.
- 5.2 In the event that you communicate with us by letter providing us with an Instruction, we will take no further action until such time as we have communicated by telephone and the details of the Instruction have been confirmed by you on such call.
- 5.3 We may, in our absolute discretion, refuse to accept or act in accordance with all or any part of any Instruction, in particular, but not limited to, any Instruction contained in an email. If we decline or refuse to accept an Instruction, we will take reasonable steps to notify you as soon as is reasonably possible of this. For the avoidance of doubt, we will not notify you if to do so would compromise any security measures or would not be unlawful. Subject to this we will not be liable to you or anyone else for any failure to accept or act on such Instruction.
- 5.4 We are entitled (but are not obliged) to act upon an Instruction which is or reasonably appears to be from you. In particular, an Instruction received from an e-mail address or telephone number set out in the Application Form or otherwise used by you or any person on your behalf to communicate with us shall be sufficient to authenticate an Instruction as being from you and shall accordingly be deemed to have been authorised by you pursuant to this Client Trading Agreement and PSR 2017.
- 5.5 An Instruction in relation to a Payment shall be deemed to be your consent for the purposes of regulation 67 of PSR 2017.
- 5.6 Before submitting an Instruction, you shall ensure that all information contained in the Instruction is clear, complete, unambiguous and not in conflict with any other Instruction given by you. In the event that it is not, we may in our absolute discretion and without any liability on our part, refuse to act upon such Instruction(s) until any incompleteness, lack of clarity, ambiguity or conflict has been resolved to our satisfaction.
- 5.7 If we receive an Instruction after 2.00pm in London on any Business Day, we may treat this as being received by us on the following Business Day. If we receive an Instruction on a day that is not a Business Day, we will treat this as received on the next Business Day.

6. Transactions

- 6.1 A Trade will be deemed to have been executed and binding upon the parties (whether or not a Trade Confirmation has been issued or is available on the Privalgo Platform): -**
- (a) in the case of an Instruction given by telephone or email (subject always to clause 5.3), once we have placed a corresponding trade with one of our trading counterparties;**
 - (b) in the case of an Instruction given on the Privalgo Platform, once you have submitted the Instruction confirming the Trade.**
- 6.2 Once a Trade has been executed, and whether or not a Trade Confirmation has been issued or is available on the Privalgo Platform, such Trade cannot be altered, cancelled or rescinded without our written consent.**
- 6.3 You will either receive a Trade Confirmation by e-mail (sent to the last address we hold on record for you) or by accessing the Privalgo Platform in each case by no later than the close of business on the Business Day on which the Trade is executed.**
- 6.4 Our failure or delay in sending a Trade Confirmation or the non-receipt by you of such Trade Confirmation, for any reason whatsoever, in relation to any Trade does not in any way invalidate the Trade entered into between you and us and will not prejudice the rights and obligations of either party under such Trade.**
- 6.5 It is your responsibility to immediately inform us of the non-receipt or unavailability of a Trade Confirmation or any error or inaccuracy as between the Trade Confirmation and your own records.**
- 6.6 Trade Confirmations shall be deemed, in the absence of a Manifest Error, to be correct and binding unless you notify us of any error or inaccuracy in writing within one Business Day of our issuing the Trade Confirmation or it being available on the Privalgo Platform.**
- 6.7 We may, at our entire discretion, arrange for any Trade to be effected with or through the agency of an intermediate broker, who may be an Associate of ours, and may not be in the United Kingdom.**
- 6.8 We will not be obliged to effect any Trade or do anything else which we reasonably believe would breach any Relevant Regulation.**
- 6.9 You agree to execute such further documents and to take such further steps as we may reasonably require to be registered as owner of or obtain legal title to Initial Deposit or Additional Margin, to enable us to exercise our rights under this Client Trading Agreement or to satisfy any market requirement.**
- 6.10 You shall promptly (and in any event within any time limit requested by us) give any further Instruction we may reasonably request to enable us to execute a Trade. If you do not do so, we may in our sole discretion take any steps, at your cost, as we consider appropriate for our or for your protection including, for the avoidance of doubt, not executing the Trade. We shall not be liable to you for any loss, damage, cost or expense suffered by you as a result of our taking such steps.**
- 6.11 We may, in our absolute discretion, refuse to execute a Forward Trade in the event that we determine that it is not entered into by you to facilitate payment for identifiable goods and/or services or direct investments.**
- 6.12 Where we enter, upon an Instruction, a trade to be executed at some time in the future when a specified exchange rate (Specified Rate) becomes available (Market Order Trade), we shall use our reasonable endeavours to achieve such Specified Rate on your behalf. However, in entering into a Market Order Trade, you acknowledge and agree that we may not be able to achieve the Specified Rate due to:**
- (a) the market from which we purchase currency not achieving the rate we require in order to match**

the Specified Rate; or

- (b) there existing such volatile market conditions that we are unprepared to enter into a corresponding trade with our counterparties even where the interbank rate has achieved a rate which we would otherwise require in order to match the Specified Rate.

6.13 Subject to clause 6.14, you are obliged to settle a Market Order Trade as soon as the Specified Rate comes available.

6.14 In the event that you instruct us to enter a Spot Trade or Forward Trade, you are obliged to settle such trade, as the case may be, unless you contact us during Business Hours and cancel such trade before we have placed a corresponding trade with our counterparty.

7. Payments Received from You or On Your Behalf

7.1 All payments made by you under this Client Trading Agreement, save as is set out in clause 8, shall be made in same day cleared funds, in such currency as is required for the settlement of the Trade as follows:
-

- (a) in relation to Spot Trades and Market Order Trades, unless stipulated otherwise in the Trade Confirmation, you shall pay the full Settlement Amount by no later than 12 noon on the Value Date (or the following day if it is not a Business Day);
- (b) in relation to a Forward Trade, unless stipulated otherwise in the Trade Confirmation, you shall pay the full Settlement Amount no less than 1 Business Day prior to the Value Date.

7.2 All payments shall be made into such bank account as may be set out in the respective Trade Confirmation, demand or as is otherwise communicated to you by us from time to time. All payments shall be made by you without any deduction or withholding.

7.3 We reserve the right, at our absolute discretion, to refuse to receive payments if they originate from a bank account which is in a name other than yours and to make payments other than in accordance with standard payment instructions given by an Authorised Person on your behalf to a bank account in your name.

7.4 For the purposes of any calculation under this Client Trading Agreement, we may convert amounts denominated in one currency into such other currency as we may from time to time specify, at such rate prevailing at the time of the calculation as we shall reasonably select.

7.5 You may pay monies into your account with us at any time provided always that when you do so you reference your payment with your client account number.

7.6 You acknowledge and accept that we do not accept payment by cheque. Any cheque sent to us will be returned to you and we will charge you an administration fee of £50 per cheque. You also accept that we do not accept cash as a means of payment. If we receive cash from you, the payments will be deemed not to be received and the relevant Trade will be cancelled or extended unless payment is made in an appropriate manner by the required date.

8. Margin

8.1 If you enter into a Forward Trade and are required to pay an initial deposit (Initial Deposit), you shall pay such Initial Deposit no later than two Business Days after the date of the execution of the Transaction.

8.2 We may, in our absolute discretion, determine or require from time to time that you pay, on demand, additional deposits or margin (Additional Margin) throughout the duration of the Trade for the purpose of protecting ourselves against loss or risk of loss on present, future or contemplated Trades. You will pay all Additional Margin no later than [one] Business Day after the date of demand.

8.3 Any Initial Deposit or Additional Margin shall be treated as an advance payment in relation to a Trade and shall belong to us. Notwithstanding this, you hereby charge to us by way of a first fixed charge as a continuing security for the payment and discharge of any loss, all your rights, title and any interest in and to the Initial Deposit or Additional Margin. You shall not, without our prior written consent, assign, mortgage, charge or otherwise dispose of, create a security interest in or deal with your rights, title or interest in the Initial Deposit or Additional Margin (except in favour of us). You will not be entitled to any interest on any Initial Deposit or Additional Margin held by us.

8.4 Unless otherwise agreed, Initial Deposit and Additional Margin must be paid in the currency set out in the relevant Trade Confirmation.

9. Monies Received from Third Parties

9.1 You may arrange for a third party to transfer funds for your benefit into your Account for the purposes of settling any of your Obligations under the Agreement. In such event, we may require you to procure that such third party provides such information as we may require to comply with our statutory, regulatory or legal obligations. We may at our discretion contact the third party directly in order to satisfy our requirements. Subject to our receiving satisfactory information, we shall credit your Account with the third-party funds. We shall not be liable to you, however, for any loss damage, cost or expenses incurred by you as a result of delay in crediting any third-party funds to your Account in the event that you or such third party do not satisfy our information requirements.

10. Trading Limits

10.1 We may, at our complete discretion, impose limits on the nature, number, notional size, value or frequency of Trades you execute or open positions which you hold with us at any one time. We may, therefore, in our sole discretion, close out any one or more Trades in order to ensure that such limits are maintained.

11. Statements of Account

11.1 Unless otherwise agreed, you can access on the Privalgo Platform periodic statements of account (Statement of Account) in relation to your Trades. The Statement of Account will include, amongst other things, details of your Trades and such other information as may be required to be disclosed by the Relevant Regulations.

11.2 Unless an objection is received from you within 2 Business Days of the Statement of Account being made available on the Privalgo Platform, you will be deemed to have accepted the Statement of Account and all entries contained within it.

12. Charges

12.1 Unless agreed by Us in writing, You shall not be liable for any charges that may be incurred by us in making Payments on your behalf to third-party beneficiaries.

12.2 You acknowledge and accept that some intermediary or correspondent banks, particularly in relation to international payments of EEA currencies between banks within the EEA, may levy a receiving or routing charge on any payment made to you or to a third-party beneficiary on your behalf. We accept no liability for any direct or indirect losses that may arise as a result of such charges being levied.

13. Account Management and Onward Payments

13.1 We give no warranty, undertaking, representation or promise as to the performance or profitability of any Trade you may enter into.

- 13.2 Following settlement of a Trade, any purchased currency shall be credited to your Account (Stored Value).
- 13.3 You may transfer the Stored Value from your Account by providing us with instructions and the necessary remittance details by using the Privalgo Platform. We will notify you if we cannot accept your payment instruction and, if possible, give reasons for this.
- 13.4 If you wish to cancel a Payment Instruction, you must notify us, and we must confirm acceptance of your notice of cancellation no later than 1 Business Day before the date the payment is due to be made. Payment Instructions must be received before 12 noon on a Business Day. Otherwise the instruction will be deemed to be received by us on the next Business Day.
- 13.5 Payment Instructions can only be processed if you have sufficient Stored Value.
- 13.6 Provided your Payment Instruction is valid and complete and the requirements in clause 13.4 are complied with, where your Payment Instruction relates to a payment to a third party and is denominated in:
- (a) euros or pounds sterling and the account of the payee's payment service provider is located within the European Economic Area (EEA), we shall ensure that the amount of the Payment Instruction is credited to the payee's payment service provider's account by the end of the Business Day following that on which the Payment Instruction was deemed to be received by us;
 - (b) a currency other than euro or pound sterling but the account of the payee's payment service provider is located within the EEA, we shall ensure that the amount of the Payment Instruction is credited to the payee's payment service provider's account by the end of the fourth Business Day following that on which the Payment Instruction was deemed to be received by us; or
 - (c) a currency other than euro or pound sterling and the account of the payee's payment service provider is located outside the EEA, we shall endeavour to ensure that the amount of the Payment Instruction is credited to the payee's payment service provider's account as soon as is reasonably practicable.
- 13.7 All of your Stored Value shall be held in a segregated client transaction account with a reputable bank in the UK.
- 13.8 We shall have no liability to you in respect of any direct, indirect or consequential loss (including loss of profit) howsoever caused which arises from acting on your instructions to deliver the Stored Value.
- 13.9 In the case of payments to third parties only, if you can prove that an instruction was not authorised by you in accordance with this clause 13 or was executed in error, we will refund the amount of the unauthorised payment and restore your Account to the state it would have been in had the unauthorised payment not taken place. Any such refund is conditional upon you notifying us immediately it comes to your attention that a payment has been made without authority or erroneously. In any event you must notify us within 13 months of the date that the payment was made. The refund will be made (i) in the case of an unauthorised payment, as soon as practicable and in any event no later than the end of the Business Day following the day, we become aware of the unauthorised payment unless we have reasonable grounds to suspect fraudulent behaviour by you or (ii) in the case of an erroneous payment without undue delay.
- 13.10 Notwithstanding the provisions of this clause 13, you may in specified circumstances be responsible and liable for up to £35 (thirty five pounds sterling) for any losses incurred as a result of the use of a lost or stolen payment instruction except where you have acted fraudulently or you have with intent or through gross negligence failed to keep your Security Information safe in accordance with Schedule 1, in which case you will be liable for all such losses.
- 13.11 If we have to stop your use of the Privalgo Platform for transferring currency because of suspected unauthorised or fraudulent use or for other security concerns, we will inform you of this and give reasons if

we are lawfully able to do so.

- 13.12 Any crediting to your Account is subject to reversal if required under any relevant law or regulation.
- 13.13 You confirm that the full amount standing to the credit of your Account including the Stored Value will be available for funding any Trade, the satisfaction of any Initial Deposit or Additional Margin or to act as collateral in relation to any or all of your Obligations.
- 13.14 If your Account comprises more than one account with us, we will have the right without prejudice to any other right we may have, to combine all or any such accounts and set-off any amount at any time owing from you to us or any Associate on any account against any amount owing by us or any Associate to you for any purpose.
- 13.15 We may, at our discretion, at any time convert any sums of money held in a currency other than the currency of the relevant Obligation into the currency of the Obligation at our current exchange rates (as reasonably determined by us).
- 13.16 In relation to any Forward Trade, we will not transfer to your funds representing the benefit of any fluctuation in currency arising if, in our opinion, the Forward Trade was not entered into by you to facilitate payment for identifiable goods and/or services or direct investment.
- 13.17 We may hold Stored Value indefinitely. However, if we hold Stored Value for more than two years and you do not use same, we shall use reasonable endeavours to contact you to return the Stored Value to you. If we are unable to contact you, we reserve the right to make a payment of the Stored Value to the last known account we have on file for you.

14. Payment Default

14.1 If you: -

- (a) fail to make payment of all or any monies due under clauses 7 or 8 or otherwise in connection with this Client Trading Agreement or any Trade; or

we may: -

In each case we may take all or any such action as we deem necessary or appropriate to mitigate the losses or potential losses caused by your action or inaction including, but not limited to, entering into a second currency trade to close out our position in the market or executing all or any of the steps set out in clause 16.

- 14.2 While your failure to pay any monies due under clauses 7 or 8 entitles us to take action under clause 14.1, we are under no obligation to take any action whatsoever.
- 14.3 Notwithstanding the provisions in this clause 14, any failure by you to make payment under the Agreement shall bear interest (after as well as before judgment) from the due date at a rate of five per cent per annum over the base rate of Lloyds TSB Bank plc from time to time (or, if this cannot be ascertained, the base rate of such other financial institution, or such other rate, as we may determine). Such interest shall accrue and be calculated daily from the due date until the date of payment and shall be compounded at such intervals as we may determine.

15. Events of Default

- (b) you fail to observe or perform any other provision of this Client Trading Agreement or indicate (either expressly or implicitly (by reason of your failure to respond to correspondence or telephone calls)) that you do not wish nor have any intention to comply with such provision and such failure continues for two business days after we have given you notice of your failure to perform;**

16. Rights on Default

- 16.1 Upon or at any time following an Event of Default we may (but will not be obliged to) immediately without notice to you and without prejudice to any other rights we may have under this Client Trading Agreement or any applicable law, take any or all actions that we consider (in our absolute discretion) to be necessary or desirable in the circumstances, including, but not limited to the following:
- (a) treat all or any part of any Trades that are then open, unexpired or outstanding as having been repudiated by you and such repudiation as having been accepted by us, upon which our obligations under such Trades will be cancelled and terminated; and/or

 - (c) enter into any other trade or take, or refrain from taking, such other action at such time or times and in such manner as, at our sole discretion, we consider necessary or appropriate to cover, reduce or eliminate our actual or potential loss, cost or expense (as determined by us) under or in respect of all or any of your Trades or Obligations; and/or
 - (d) sell, charge, deposit, deal with or otherwise dispose of any cash, securities, margin or assets upon such terms as we may in our absolute discretion think fit without being responsible for any loss or diminution in price in order to realise funds sufficient to cover your Obligations and apply such proceeds in or towards satisfaction of your Obligations in such order and generally in such manner as we may, in our sole and absolute discretion, determine; and/or
 - (e) subject to clause 18, terminate this Client Trading Agreement.

17. Termination Without Default

Subject to clause 18, either party may terminate this Client Trading Agreement at any time by giving to the other no less than one month's written notice or such other notice period as may be agreed by the parties.

18. Consequences of Termination

18.1 Termination of this Client Trading Agreement shall be:

- (a) without prejudice to the completion of any Trade already initiated and any settlement or delivery of any outstanding Trade at the time of termination; and
- (b) without prejudice to any accrued rights, or outstanding and due Obligations or any contractual provision intended to survive termination (including without limitation rights existing in our favour on an Event of Default and any indemnity in our favour).

18.2 Upon terminating this Client Trading Agreement, all amounts payable by you to us will become immediately due and payable including (but without limitation):

- (a) all outstanding fees, charges and commissions; and
- (b) any dealing expenses incurred by terminating this Client Trading Agreement; and

- (b) in the event of insufficient funds standing to the credit of your account and if the proceeds realised pursuant to clause 16 and this clause 18 are insufficient for the discharge of all your Obligations, you will pay to us, within 2 Business Days of our demand, all monies owing in relation to any outstanding Obligations including unpaid margin and Settlement Amounts together with all costs, losses, expenses and interest incurred by us in connection with the terminating of this Client Trading Agreement less all monies deducted from your account.

19. Liability and Indemnity

19.1 Neither we nor our directors, officers, employees, consultants or agents shall be liable for any losses, damages, costs or expenses, whether arising out of negligence, breach of contract, misrepresentation or otherwise, incurred or suffered by you under this Client Trading Agreement (including any Trade or where we have declined to enter into a proposed Trade) unless such loss arises from a reasonably foreseeable consequence and arises directly from our or their respective gross negligence, wilful default or fraud.

19.2 In no circumstance, shall we have liability for losses suffered by you or any third party for any special or consequential damage, loss of profits, loss of goodwill or loss of business opportunity arising under or in connection with this Client Trading Agreement, whether arising out of negligence, breach of contract, misrepresentation or otherwise.

19.3 Nothing in this Client Trading Agreement will limit our liability for death or personal injury resulting from

our negligence.

- 19.4 We shall not be liable for any damages, losses, costs and expenses that you may suffer as a result of a default of any counterparty or any default, negligence or fraudulent conduct of any third party, including but not limited to, any third party to whom we disclose or who ultimately receives confidential information in relation to your account and which is disclosed or received upon your request or consent.
- 19.5 We shall not be liable to you for any partial or non-performance of our obligations under this Client Trading Agreement by reason of any cause beyond our reasonable control, including without limitation any breakdown, delay, disturbance, malfunction or failure of any transmission, communication or computer facility, server, modem, switch, processor, software program, application, hardware, FPGA or power supply together with any industrial action, act of terrorism, acts and regulations of any governmental or supranational bodies or authorities or the failure by any intermediate broker, agent, principal, custodian, sub-custodian, dealer, bank, counter-party, market, clearing house or regulatory or self-regulatory organisation, for any reason, to perform its obligations. Nothing in this Client Trading Agreement will exclude or restrict any duty or liability we may have to you under the regulatory regime (as defined in the FCA Rules), which may not be excluded or restricted under this Client Trading Agreement.
